

Management Liability

Management Liability protects the individuals and the company in relation to the exposures associated with managing a company. Private companies and their directors continue to face greater corporate governance and increasing regulatory surveillance of the management of their business activities. Traditionally directors' & officers' policies have been written only to protect the personal interests and assets of individual directors and officers. A Management Liability Insurance Policy has been designed for private companies and their directors and officers.

Directors and Officers

Provides coverage to the Directors and Officers (including where the company can reimburse the directors) for any claim alleging a Wrongful Act (negligence, breach of duty, misrepresentations) by a Director or Officer
